Resolved—

I. That the undermentioned gentlemen be nominated members to form a Committee for this District with the Deputy Commissioner as their Chairman for arranging for the details connected with the Show.

1. Mr. K. Ramachanadra Rao, General Assistant Commissioner.
2. ,, B. Krishnaiengar, Treasury Assistant Commissioner.
3. ,, V. K. Swaminatha Iyer, Assistant Surgeon.
4. ,, Abdul Aziz, Amildar, Kolar.
5. ,, Venkata Rao, Pensioned Amildar.
6. ,, Bandari Munisamaiya.
7. ,, Saukar Vemagal Naranappa.

II. That the coming Show being the first of the kind in Mysore, every member of the Committee should do his best to make it a complete success, and arrange for sending to the exhibition the best specimens of articles of local produce and manufacture on receipt of a detailed instructions from Government regarding the number or quantities of the exhibits and the manner of their forwardal.

III. That in accordance with orders already issued by the Deputy Commissioner, every Amildar should form a Sub-Committee composed of 2 respectable ryots and 2 merchants with himself as the President for the collection of the exhibits in his Taluk and report the names of the members to the Deputy Commissioner.

IV. That Mr. General Assistant Commissioner K. Ramachandra Rao, as the executive member of the District Committee, be entrusted with all the details connected with the ensuing Show, and that he be requested to arrange every thing that is necessary to promote the object of the exhibition, corresponding direct with the Amildars of Taluks and with the Joint Secretaries of the Central Committee at Bangalore on all matters concerning the Show, and issuing needful instructions to the Taluk Sub-Committees on the subject.

2. The Amildar of Kolar brings to notice that where the exhibits are small in value such as lace, Turkey's grains, &c., the owners being generally poor cannot afford to take the articles to Mysore, and it is therefore necessary that the District Committee should be in possession of funds to enable them to purchase the exhibits and forward them to Mysore at Government cost. In the case of the more valuable exhibits such as ponies, bullocks, cumblis, cloths, sheep, &c., the owners may be asked to go with them to the Capital, but it is not possible always to induce the owners to undertake the journey and the risk of loosing their exhibits.

3. Resolved, that the Director of Statistics and Agriculture be addressed with a view to definite instructions being issued as to which of the exhibits approved by the Local Committees should be purchased, and which are to be sent with the owners, as also what is the nature and extent of help to be given to the owners, where they are too poor to undergo the expense required for the purpose.

4. Resolved, that the Taluk Sub-Committees should have the power of rejecting such of the articles tendered as may not be considered by them desiring of being sent to the exhibition.

5. Proposed by the members that, in order to induce the owners to take their exhibits to Mysore, they should be allowed to travel by Rail free of charge as was done on the occasion of the exhibition lately held at Salem.

Resolved, that the proposal be submitted for the consideration and orders of Government.

B. K. VENKATAVARDAIENGAR,
Offg. Deputy Commissioner.

From the Deputy Commissioner of the Tumkur District, To the Director of Statistics and Agriculture in Mysore, Mis. No 434, dated 16th July 1888.

With reference to your letters Nos. 54—61 and 25, dated 17th May and 22nd June 1888, respectively on the subject of the Agricultural and Industrial Show to be held at Mysore after the Dasara, I have the honor to inform you that a Meeting was held on the 11th June 1888 in view to the nomination of official and non-official gentlemen as members of the Sub-Committee and the following gentlemen elected for memberships.

Official Gentlemen.	*Non-Official Gentlemen.*
1. Mr. P. Panchanatha Rao.	6. Reverend Guliford.
2. ,, K. Muhammad Ali.	7. Mr. Venkatachar.
3. ,, N. Krishna Rao.	8. ,, Ramadasappa.
4. ,, T. Dalal.	
5. ,, Hema Hanumantaiya.	

2. The Amildars have also been directed to form Taluk Committees in the Head-Quarters of each taluk and detailed instructions issued to them in order to give wide publicity to the approaching Show and ascertain the description, &c., of the exhibits that may be available in each taluk. Their reports as to the formation of the Committee will be sent on to you as received.

3. As regards the prize lists the Kanarese copies of which have been sent to Amildars for distribution among the Agricultural and Industrial Classes, it is observed that the different prizes noted apply to the best exhibits contributed from all parts of India, and the Sub-Committee are therefore of opinion that a few prizes should be reserved and confined to the Mysore grains and other articles of manufacture. Special prizes may also be offered for the best cultivation including quantities of outturn per acre, qualities of the grains grown. &c., The prizes may be offered and the competition made in the different parts of the District. The Sub-Committees will decide who are the winners and they may be awarded prize at the time of the Exhibition. It is of course too late to carry out this suggestion this season.

4. The Committee have suggested that under Class II "Cattle" and Class VI (f) "Woollen Fabrics," riding bulls and stockings, caps and comfortors Mysore made may be respectively added and prizes offered for best specimens, while under "Class IV. Furniture," a definite and detailed description of the wooden furniture to be shown should be given.

5. In conclusion I beg to add that earnest endeavours will be made to promote the object of the Show by securing the best collections of exhibits available in this District. The prizes noted as regards collection of tools and some machineries seem to require modification, and I will communicate with you again on the subject after convening a 2nd meeting and thoroughly discussing the same.

P. N. KRISHNA MURTI,
Dy. Commr.
